Esther

Part 4: Made For Such A Time As This

What is your defining moment in your school? Do you believe you are where you for reason and a purpose? When the time comes are you ready to step up to the challenge? Esther stood up when the time was right, and that made all the difference. Read on to find out more in "Esther, Part 4".

(A) MATERIAL:

Read Esther 4:13-14

Talk it Out

- Queen Esther responded to her calling. She knew her responsibility to stand up for injustice and did so even when it could have easily cost her life. God will call you in His perfect timing to do/say things to make a change in your school, and your nation.
- Why do you think you're placed in the school you are in right now?
- Although you may not be queen, but you are influencing many others through your actions & words or even by you just being there.
- What do you think are some of the ways you could ALREADY be influencing the people around you? How do you think YOU can be a more positive influence?

(B) MISSION:

The people of influence in your school,(student leaders, headmistress, discipline teachers) are in positions to make many decisions which can affect your Recess Revo and ultimately your school as a whole.

NEXT WEEK, approach a person of influence or a person in authority in your school (Principal, Discipline Teacher, Head Prefect, etc). Tell them about RR and about this movement of LOVE. Share with them a list of things that your team plans to do to love your school more. You can even include making CF official as one of the things. Who knows what might happen? 😊

(C) PRAYER:

Dear God, thank you for placing us in this school for a time such as this. Let those who make the decisions in our school be given a new set of eyes. That they will be open to Your works and Spirit. Let us not stop fighting for Your love to be spread in this school. Empower us, Lord, to be History Makers in seeing this school turn to believe in Jesus. In Jesus name, Amen.
