

REAL BIBLE HEROES

Joshua

Part 1: Be Strong And Courageous

Joshua was commanded by God to be strong and courageous. He knew that God was calling him for something greater than himself. Do you feel the same way about your RR? Joshua went on to lead his people into a new land. As part of Recess Revo, you are also to lead the way for your school into a "New Normal Land" (lifestyle)! Study and discuss "Joshua, Part 1" for more!

(A) MATERIAL:

Read Joshua 1:6-9

Talk it Out

- God told Joshua to be strong and courageous not only once, not twice, but three times! When God repeats things, it must be important, eh? ☺
- Joshua did just as God told him and went on to lead his people into a new land. As a Recess Revolution, perhaps you are to lead your school into a new normal!
- What are some things God is challenging you to do that requires boldness and courage?
- How can you build up your boldness and courage in God?

(B) MISSION:

NEXT WEEK, be strong in your speech and courageous in your actions! Be prepared to proclaim your faith out loud. Form or join small groups during Recess, and intentionally start a discussion about Jesus and who God is to you. Be prepared to share your own personal testimony too! Be enthusiastic, be bold, be wise!

(C) PRAYER:

Dear God, we pray and ask for strength and courage to be able to face our friends and teachers in school. Thank you for your endless Grace shown to us. We commit this Recess Revolution fully into your hands. Holy Spirit, guide us to share God's word to others. In Jesus name, Amen.
