

REVOJUTION

WHAT IS REVOLUTION?

Revolution is a movement birthed through the Holy Spirit to galvanise young people to do their part in making a difference in their world (schools, campuses, offices, families and communities). Revolution means change. Change for the better. It is our conviction that the answer for long-lasting change is God. But it is not enough for the world to know His name, they need to experience His love.

ROMANS 13:8

OWE NO ONE ANYTHING
EXCEPT TO LOVE ONE ANOTHER,
FOR HE WHO LOVES ANOTHER
HAS FULFILLED THE LAW.
