

HOW?

PRAY

Prayer is key in implementing lasting change. It invites God into the situation.

LISTEN

Listening to the voice of the Holy Spirit for God-ideas (not man's) that will change our world.

OBEY

It is pointless to just pray and listen if there is no action. When we obey, we become God's agents of change.

These simple steps have led to hundreds of testimonies... proving that childlike faith and simple obedience are powerful catalysts for change. Visit the official website and read the true stories for yourself.

**THE VISION OF THIS MOVEMENT
IS TO SEE NATIONS CHANGE,
ONE LIFE AT A TIME,
GUIDED BY THE VALUE OF GOD'S LOVE.
HE JUST NEEDS VOLUNTEERS—LIKE YOU.**
