

REAL BIBLE HEROES

Daniel

Part 4: Rising Above

Daniel honoured the King's wishes despite a death threat from the King over Daniel's life. In spite of that, he continued to use his talents to his level best. He did not short change anyone. Daniel showcased the heart of a true believer, one who is steadfast in his faith while doing the right thing, allowing nothing to cause him to stumble. In "Daniel, Part 4" we look at Daniel going against the flow and rising above to give his best.

(A) MATERIAL:

Read Daniel 2:1, 2:5, 2:11-13, 2:24-28

Talk it Out

- Daniel believed strongly that God has gifted him with profound wisdom and ability to explain different things.
- He put these talents to best use regardless of circumstances. He chose to rise above and give his best for God. (2:24)
- We face different distractions and go through many challenges every day. In spite of that, are we like Daniel? Are we rising above to put aside your past and being selfless towards anything you do? How do we go about this?

(B) MISSION:

NEXT WEEK, pray for God to **reveal** one specific ability that you shine in, regardless of the situation. Then, **use** your talent/ability to bless others, including helping those you don't really talk to or are not friends with.

(C) PRAYER:

Dear Lord, thank you for all the talents and abilities that you have given us. Let us not give excuses due to our circumstances and help us to rise above to give our best. God, help us to use all the talents that we have for your Kingdom's sake. In Jesus' name, Amen.
