

## REAL BIBLE HEROES

### David

#### Part 2: Stand up to the Giant

Being pushed aside in a corner feeling small and defeated is a situation we try to avoid. But how does one rise up against those who are bigger and stronger? "In David, Part 2", we see how David steps forward to defeat Goliath.

#### (A) MATERIAL:

Read 1 Samuel 17:17-18,23,32,26-37

#### Talk it Out

- David was just a boy who brought food to his brother in the army. What was David's reaction when he heard about Goliath mocking the army of God?
- Eliab guilt tripped David and accused him of being nosy and not knowing his place. Did David back down when his elder brother and King Saul discouraged him?
- Why did David dare to challenge a giant that is so much bigger than him?
- What are the challenges that you have been through in doing Recess Revo? Would you stand up to the "giants" in your school?

#### (B) MISSION:

NEXT week, do something out of your comfort zone. Pray to God and ask him for specific direction and instructions. Or, **share your personal testimony** to someone who hasn't heard it before. Overcome this "giant" that is stopping people around you from knowing about the Love of Jesus!

#### (C) PRAYER:

Dear God, help us to be the change in our schools. Let us continually do the things that count in your eyes and not be carried away with things of the world. May we continue to seek your timing and patiently fight the battles that you choose for us. In Jesus' name, Amen.
