

REAL BIBLE HEROES

Naomi and Hannah

Part 3: Sorrow

“Faking it till you make it”, that is what the world tells us. But the Bible shows us that many people were crying out to God when they were in pain and hurt. We are not alone in all the things that we are going through. In “Naomi and Hannah, Part 1”, we read about Hannah’s pain.

(A) MATERIAL:

Read Samuel 1:1-20

Talk it Out

- In olden times, it was very common to have another wife when your first wife was barren. As for Hannah, she was the first wife but was barren. However, her husband still showed his love for her and stuck with her. Do you treat people equally despite their circumstances?
- Hannah was going through a real tough time for many years. Do you know anyone who is going through a hard time? What can you do to show that you are there for them?
- Hannah cried out to the Lord about what she was going through. She honestly poured her heart out to God. And the best part was, she was no longer sad. Are you honestly pouring out your heart to the Lord?

(B) MISSION:

Everyone has a heart’s that bleeding and hurting sometimes. We can’t always see or understand people’s pain but it’s a broken world out there. As Revolutionaries, we can do something about it.

TODAY, show people that you care for them. Show them God’s love by offering prayer, writing a note, get them a gift, spend time with them.

(C) PRAYER:

Dear God, I can’t see people’s heart but You can. So, help me to see those who are hurting. God, give me your compassion and love. Expand my heart for those who are lost, open my eyes O’ Lord. In Jesus’ name I pray, Amen.
