

REAL BIBLE HEROES

Nehemiah

Part 3: Standing Up for the Voiceless

We admire people who can give a great speech and be the voice for the minority or defenseless. It takes great courage because people hold you to your words. As RevoJutionaries, we too should stand up for those who are looked down upon. In "Nehemiah, Part 3", we see how Nehemiah speaks up and helps his people to unite together.

(A) MATERIAL:

Read Nehemiah 5:1-13

Talk it Out

- Nehemiah was someone who was proactive, he did not react to the situation but responded to it.
- What are some tendencies that you have when you see injustice in your school or outside of school, etc?
- As RevoJutionaries, we want to be like Jesus, helping those who are oppressed. How can you help those who are oppressed?

(B) MISSION:

Can you identify someone in your school who might have been wronged, oppressed, or simply just in need? **THIS WEEK**, bless that student you have identified in your class or school. Meet a need that he/she has. You can even collaborate with your teachers on this project. **Ask** God how your Revo Group can bless these students in need. Read Nehemiah 5:14-19 and see how Nehemiah was generous.

(C) PRAYER:

Dear Lord, I thank you that your heart is for the poor and needy. You always look after them. So I ask of you that you would use us to show them that you are a God who cares and loves them very much. Use us as your vessels to show your love to them. In Jesus' name I pray, Amen.
