Peter

Part 1: Fish on The Other Side

What are your eyes fixed on? As RevoJutionaries, we are encouraged to look outwards rather than inwardly. We are to ask God for His vision and perspective on things. In "Peter, Part 1", we see Peter gain insight into our Lord Jesus.

(A) MATERIAL:

Read John 21:1-8

Talk it Out

- The fishes were there on the right side all along. Peter and his crew were all fishermen, yet they missed it. It is time for us to stop thinking of only what we think we know but start taking in what God knows. His ways are always higher.
- It is time to not only fish within the circle of our friends but to move to the other side (i.e. perhaps out of your comfort zone?). Share with each other which group/people you think you've missed out after doing Revo for some time now.
- Reaching out to different groups of people may not be as easy. Share with each other what are the difficulties you may expect in doing so. Discuss how you can overcome this problem.

(B) MISSION:

TODAY, name some of your friends or teachers or just someone whom you have never thought off. Offer them a prayer, talk to them intentionally to know how they are doing or bless them with a meal. They need to know somebody cares for them.

(C) PRAYER:

Dear Lord, help us see those who are in need. Help us not to only look within our circle of friends but be with us even as we step out of our comfort zone to bless those who are really in need. In Jesus name I pray, Amen.
