Peter

Part 2: Focus on What You Have

People and the world put expectations on us; however, do we follow what they tell us? Ultimately, we are to follow Jesus' standard in living our lives. In "Peter, Part 2", we see how Peter offers Jesus to the people around him.

(A) MATERIAL:

Read Acts 3:1-10

Talk it Out

- Share with us what you've caught from the passage reading.
- It is important to focus on what you have rather than what you wish you had. Peter did not have silver or gold to give, but he did give something to the lame man. What do you have to offer for your school? Share among your fellow revolutionaries.
- Peter did not only see the physical need of the beggar but also his spiritual need, which is to be set free from his crippled condition. A lot of our friends may look okay from the outside but crippled on the inside. When was the last time you prayed for a friend? Share your experience.

(B) MISSION:

Pass around a piece of paper and **write down** what you have to offer. It can be an item, money or just offering yourself to volunteer. Next discuss among your fellow revolutionaries how you can use these items to bless the school.

(C) PRAYER:

Dear Lord, use the little that we have to bless our school. Open up our eyes to not only see the physical but also the spiritual needs of a person. In Jesus' name I pray, Amen.
