## Peter

### Part 3: Obey God not Men

Being a part of Revo, we could sometimes be mocked by others. How should we respond in a way that explains why or what we do? In "Peter, Part 3", we get a glimpse of what Peter does in response when people try to stop them.

#### (A) MATERIAL:

Read Acts 4:19-31

#### Talk it Out

- Peter and John were standing before the council because they were proclaiming in Jesus' name.
- Were there times where you were stopped for doing Revo or doing things in the name of Jesus? What were you feeling when you got stopped?
- How do you usually respond when people of authority ask you to stop doing Revo? What are your next action plans for RR? Look at 4:23-31 for suggestions.

#### (B) MISSION:

Today, think of a response you could say to authorities that stop you from doing Revo. Next time when you are mocked to stop doing Revo, **USE** that same phrase. Take time to ask for **BOLDNESS** for your Revo.

#### (C) PRAYER:

Dear Lord, I do not want to stop doing what you called me to do. I want to be an ambassador for you when authorities are not on our side. Give all of us your boldness to do the little and big things. In Jesus name I pray, Amen.
