

# REAL BIBLE HEROES

## Peter

### Part 4: Share and Keep Record (Witness)

Our lives are full of testimonies and stories. God is our great author of our “book of life”. In “Peter, Part 4”, we learn from Peter and how he shares God's goodness to the believers and his leaders.

#### (A) MATERIAL:

Read Acts 10:44-48, 11:1-4

#### Talk it Out

- Peter experiences such a great outpouring of the Holy Spirit on the Gentile believers. Have you experienced this before? Share! Always be expectant!
- So many great things had already happened in the ministry of Paul. What are some things that have happened in Revo?
- Peter reported what had happened recently to the church. Why is it important that you share what God is doing in Revo?

#### (B) MISSION:

Today, **write and share** your story on the Revolution website! After that, **share it** with a friend or your social media. Your stories can be an encouragement! **Keep a record** of all the testimonies that God is writing in your Revo. This is what we consider as WITNESSING.

#### (C) PRAYER:

Dear Lord, help me to proclaim what you have been doing in Revo. Help me to not hold back and to testify of your goodness. Let your stories be known around the world! In Jesus' name, Amen.
