

## REAL BIBLE HEROES

# SAMSON

## Part 1: Tear Apart the “LION”

Ever done something that you thought you could not? It's a great feeling to achieve something unexpected. With God, He does great things that we never could imagine. In “Samson, Part 1”, we see how God's awesome power leaves us in awe.

### (A) MATERIAL:

Read Judges 14:6

### Talk it Out:

- Samson is a man with prodigious strength and does GREAT feats with the Spirit of God. Tearing apart a young lion with his bare hands explains it all... Do you think the Spirit of God will enable you to do the craziest thing to impact your school?
- For instance, do you believe that everybody in your school can get saved by Jesus through God using your Revo initiatives? The Spirit of God is going to do really CRAZY stuff through your Revo only if you allow Him to use all of you. Are you ready for the challenge?
- Every challenge that you are going to face or already facing will be an exciting moment because you are going to tear apart those challenges like how Samson did. Don't underestimate what you can do because God is with you.

### (B) MISSION:

Today, ask God to open our eyes to look into the invisible to do the impossible. Ask God to place any teacher (it can be a teacher from a different faith background) in your mind precisely so that you can get a card for him/her and write something like “God bless you” or “Jesus loves you” on it and pass to him/her next week. You will see how God works!

### (C) PRAYER:

Lord, thank You that You are there for us in everything we do. Even now please open our eyes to look at things differently and give us the boldness so that we are not afraid to tear apart lions. Lord, You are in control from now on. In Jesus' name, Amen.
