

# REAL BIBLE HEROES

## Abraham Part 1: Encounter

Every day we are so caught up with our mundane daily activities that we forget to enter His Holy presence. Do you desire a fresh fire each day to burn for Him? In "Abraham, Part 1", we see how Abraham meets God and hears exciting new things from Him.

### (A) MATERIAL:

Read Genesis 17:1-9

### Talk it Out

- From verse 1-3 we understand that Abram (Abraham) had a relationship with God. He honors God in every way and fell face down in His presence. It is only possible to experience more of God when we seek Him continuously and build a good relationship with Him.
- It is important to have a habit of reading God's Word daily. Share with your friends how God has been real in your life.
- Discuss with your friends if you have any difficulty in reading God's Word daily and share with each other ideas on how to improve your reading habit.

### (B) MISSION:

Listening from God takes practice but it starts with the obedience to read His Word. God often speaks to us through the bible. There is no secret way of getting to know God more. Decide on a common chapter or book in the bible that your Revo team can read each morning before school. Remember to **share what God spoke to you** from that passage to someone in school. It helps to write it down too!

### (C) PRAYER:

Dear Lord, give us strength and the love to read your Word daily. Our desire is to have a relationship with you and to know you more each day. In Jesus' name I pray, Amen.
