

REAL BIBLE HEROES

Elijah

Part 1: Compassionate

Do you have a desire to see people have better lives or more specifically for people to repent and turn to God? In "Elijah, Part 1", we see that Elijah's heart for the Israelites was big despite their corruption.

(A) MATERIAL:

Read Mark 1Kings 16:33, 1 Kings 17:1-7

Talk it Out

- God was troubled with what the people were experiencing and he delivered his prophet, Elijah, to guide them out of corruption and suffering.
- If you were Elijah, would you go to the some where else just for these sinful people? Do you think Elijah cared for the Israelites?
- Do you care for the lost? What are your feelings towards them?

(B) MISSION:

God wants us to have compassion in our heart for those who are lost.

TODAY, pray for someone who does not know God. Pray that God will open the doors for you to reach them.

(C) PRAYER:

Dear Lord, thank you for never giving up on the Israelites and always going after them no matter what. Expand my heart for those who are lost. In Jesus name I pray, Amen.
