## Elijah Part 3: Boldness

What makes you brave, and being able to take risk? When you trust in God and knowing what you believing in, it is easier to be bold. Sometimes, knowing the ending gives you more confidence too. In "Elijah, Part 3", we read about how Elijah confronts and brings forth his challenge with the worshippers of Baal.

### (A) MATERIAL:

Read Mark 1Kings 18:16-29

### Talk it Out

- King Ahab had given order to Obadiah to kill all the other prophets but Elijah wanted to meet King Ahab. Why was Elijah so brave? (Answer in v15)
- Elijah challenges the Baal worshippers. Have you challenged another person of another faith? How was it and what happened?
- What is something that you are willing to be bold for? Are you bold for Jesus?

### (B) MISSION:

Being bold is stepping into the faith you have in Jesus Christ. Sharing your faith is scary, but why is it scary?

**TODAY**, take the step of faith in Jesus Christ and be bold for him, not by putting others to shame but be bold in telling them of who He is.

### (C) PRAYER:

Dear Lord, who can be against us because you are always for us! There is so much hope and faith in that. My confidence is in you and you will show me how to share. In Jesus name I pray, Amen.
