JOSEPH

Part 2: To Do Your Best

When you are given an assignment, do you just do it to 'get it done and over with' or actually make sure you put in your BEST effort? Doing homework just for marks or for God? In "Joseph, Part2", we see how Joseph always seeks to glorify God.

(A) MATERIAL:

Read Genesis 39: 1-5, 22-23, Genesis 40 :1-4

Talk It Out:

- Joseph gave his best everything he did even as a slave, and found favor in the eyes of his Egyptian master. Would your teachers feel the same about you as a student in school?
- When Joseph was in prison, he was assigned to attend to Pharaoh's officials. He was entrusted with a huge responsibility!
- When we do our best, God will give us success and entrust us with bigger things. What are your current responsibilities? Prefect, librarian or a student?
- How can you do your best and at the same time, gain favor from authorities and your peers?

(B) MISSION:

Remember this whenever you run Revo: God gave His **BEST** through His Son by sending Him to the world to die on the cross. So, meet the needs of your school, maybe a friend needs you to buy him a meal, maybe a teacher needs encouragement. Do your best to be a blessing to people around you. Let the Holy Spirit guide you.

(C) PRAYER:

Thank you Lord for the opportunity for us to be your representative at school. Please give us the ideas on how to reach out to different ones at school and passion as we do our best so that our school will get saved one day. And help to do this with a glad and willing heart just as Joseph did. I pray in Jesus' Name, Amen.
