## Jacob

### Part 2: Dreams

As much as 95% of all dreams are quickly forgotten shortly after waking. However, there are some dreams that we can remember. Perhaps there are explanations as to why this is so. In "Jacob, Part 2", we see how God speaks to Jacob through a dream.

#### (A) MATERIAL:

Read Genesis 28:10-22

#### Talk it Out

- Jacob had to flee to Laban because of what he did. He then had a very vivid dream from the Lord. Have you ever had such a vivid dream before? Share the dream that you had.
- God can speak to us in many ways, just like how he spoke to Jacob. What is your response when God speaks to you through visions and dreams?
- Do you desire to have dreams and vision from God? What is a promise that God has spoken about Revo as you all sought the Lord?

#### (B) MISSION:

Do you desire to hear from God clearly? It may not be in dreams or vision but allow God to speak to you in any way.

**THIS WEEK**, spend some time praying and waiting on God to speak. "What do you want me to do this week?" Once he speaks, share it with someone! Encourage them of what God has spoken and carry it out!

#### (C) PRAYER:

Dear Lord, I am wanna know you more, like I know a friend. I want to be able to hear your voice so clearly each day and all day. God, when you speak, there is peace and also authority. Help me to discern your voice each day. In Jesus' name I pray, Amen.
