## Job

### Part 2: God Allows Testing

Bad things happen to good people. Why? No matter how we see it, it is unfair in our eyes. But God is fair, remember that. We can question Him but remember His character and nature. In "Job, Part 2", we see what happens to Job when Satan talks to God.

#### (A) MATERIAL:

Read Job 1:6-22

#### Talk it Out

- You must have lots of questions after reading that section. After reading this, what would have been response be if you were Job?
- From the conversation, we see that God had his full trust in Job. God is always one step ahead of us and even the evil one. Does God trust you and do you trust God?
- RR will go through all kinds of testing, remember that God allows it but it is the evil one who carries them out, for his selfish purposes.
- What are some testing that RR is facing now? Being a part of RR, how can you be steadfast when testing comes?

#### (B) MISSION:

**LOOK OUT-** be on watch as the evil one is always out there like a roaring lion ready to devour. **What can RR do when you see friends/ teachers/ school workers face testing?**

**THIS WEEK, respond in FAITH.** Go up to those who are going through testing/ hardship and tell them the truth. Share with them the beginning of the story Job. When you encourage someone, they are given hope and motivation. Breakdown every lie that the evil one is trying to do and make room for God to move.

#### (C) PRAYER:

Dear Lord Jesus, we call upon your powerful name, Jesus, we need you! We need your help when we are faced with hardships. We surrender them all and lay them down on the ground. This is our surrender to you. In Jesus' name, Amen.
