## Job

### Part 4: Cries to God

Have you ever cried out to God during your hard times whether in prayer or in worship? Remember when we were going through a global pandemic? God is who we should run to and pour out to in a broken spirit and contrite heart. In "Job, Part 4", we see what Job does during these trying times.

#### (A) MATERIAL:

Read Job 13:1-28

#### Talk it Out

- If you read through the book of Job, we see how Job's friends come and try to persuade him to curse God. Job gives a rebuttal to each of his friends who come to advise him what to do so that his suffering will end. In chapter 13, it is just one of the many responses that Job gives which reminds us how to remain faithful to God during hard times.
- Have you ever cried out to God before? What was it like? How did you feel after?
- When was the last time RR had a worship and prayer session together to surrender your battles to God?

#### (B) MISSION:

**THIS WEEK**, **organise** a worship and prayer session together and invite others to join you. Come together to intercede and worship the lord God almighty! Recite bible verses to lift up the name of JESUS!

#### (C) PRAYER:

Dear Lord Jesus, help us to make it a habit to go to you with all of our cries of joy and also pain. Lord, we want to come to your throne of grace, asking you to have mercy on us, do not turn your face away from us. In Jesus' name, Amen.
