## Solomon

### Part 1: What should I do?

We are constantly facing crossroads in our lives - from deciding what to eat for lunch to what to study after high school, and more. How many of us actually go to God to seek His direction? In "Solomon, Part 1", we see how Solomon has discernment when he is asked to make a decision or judgement.

#### (A) MATERIAL:

Read 1 Kings 3:16-28

#### Talk it Out

- In the beginning of chapter 3, we see that Solomon actually ask God for wisdom. Which would you ask for, wisdom or wealth? And why?
- One example of godly wisdom is that you can discern what is good and evil in the eyes of the Lord. What is another example of a situation that you have been in that portrayed Godly wisdom or worldly wisdom?
- As RevoJutionaries in your school, you will need wisdom from God to deal with the fiery darts that come your way. How can you get more godly wisdom?

#### (B) MISSION:

**PRAY and ASK** God for His wisdom as you are involved in Revo. You can also start reading the book of Proverbs to gain more wisdom.

**THIS WEEK**, demonstrate godly wisdom by asking the Holy Spirit to help you when you are not sure what decision to make. Use God's wisdom when you are faced in a crossroad, especially when non-christian friends.

#### (C) PRAYER:

Our Father, I ask that you keep giving me more wisdom each. Whenever I heard or see things that require me to make decisions, help me to make godly decisions that reflect you and so that I can glorify you. In Jesus' name, Amen.
