## Solomon

### Part 2: Bless the Lord

After achieving something, whether it is a prize or good results, who do you praise or give thanks to first? It is so easy to credit for yourself but we are to acknowledge God's goodness. In "Solomon, Part 2", we read about how Solomon gives his praise to God by acknowledging what God has done by rebuilding the temple.

#### (A) MATERIAL:

Read 1 Kings 8:12-21

#### Talk it Out

- Solomon starts to rebuild the temple of the Lord from chapter 5 onwards. The temple took at least 13 years and it was finished. (Go home and read chapter 5-8 and see how much work it took)
- All your achievements in life, do you acknowledge God in all of them? In your RR, all the things that God has done, what is something that God has done that you can bless Him?
- God does not need our "blessing" but it is our heart attitude towards Him that he is looking for.

#### (B) MISSION:

God is always **FIRST**. We are to acknowledge God and then those around us.

**THIS WEEK**, show your gratitude to those in your school who have helped you in achieving, whether big or small. **Pray and ask** God who can you acknowledge this week. Get **3 names** for this week and go up to them and **tell them or give them** a card to acknowledge their goodness.

#### (C) PRAYER:

Dear Lord and heavenly Father, I acknowledge that you are King of Kings and Lord of Lords, there is none like You. I worship you for who you are. I say thank you for all that you have done. I ask Lord would you continue to humble our hearts and show us that all these things happen because of you. In Jesus' name, Amen.
