

REAL BIBLE HEROES

Paul

Part 2: Preparation

In a world that is ever changing, we need to be up to date with the current trends and issues. As a disciple of Christ, we are always learning and we need to always equip ourselves with God's word. In "Paul, Part 2", we see that Paul was in training before he started his ministry.

(A) MATERIAL:

Read Acts 9: 26 -27, 11:25-27

Talk it Out

- Bible scholars have done the research for us and Paul took at least 14 years before he went on his first missionary. But this does not mean that he did not preach the gospel at all during all those years. <https://www.blueletterbible.org/study/paul/timeline.cfm>
- Paul was also a student of Gamaliel, who was a known Jewish teacher of the law. Do you desire to be equipped in God's word? What can your Revo Group or local church do to equip yourselves?
- You will all be future leaders in God's kingdom. Discuss in your Revo Group, what area would you want to receive training in? Think of a leader whom you can invite to share with your group.

(B) MISSION:

TODAY, ASK your friends what areas you need to improve on. Then use this as an opportunity to **SHARE** your faith. **WRITE** down what you would want to receive training in, look out for courses/ conferences available, commit yourself to grow in that area.

(C) PRAYER:

Dear Heavenly Father, thank you Lord for all the resources that we have to equip ourselves and grow your ministry. Help each of us to desire to know you more so that we can represent you well to others. Lead us to the right leaders who can equip us! In Jesus' name, Amen.
