

REAL BIBLE HEROES

Paul

Part 4: Blessing in Disguise

Good movies always have a plot twist or an unexpected ending. God sees the full picture however we are always very focused on the bad circumstances but God can use these bad situations to bring glory to Himself. In "Paul, Part 4", we see how God brings the good in bad times

(A) MATERIAL:

Read Acts 16:24, 25-40

Talk it Out

- Paul and Silas were detained in jail for casting out a spirit in a girl. What?! Your Revo Group may be punished for unfair things. Are you prepared for this?
- Do you have a story to share on how God used your bad situation for good?
- When you were unfairly treated as Revolutionary, how did you seek justice for your team? How can you seek justice as Christ or the Bible says?

(B) MISSION:

TODAY, SHARE with your non-believing friend how God has redeemed you from a bad situation. Encourage them and also pray for them after that.

(C) PRAYER:

Dear Heavenly Father, we need your patience and your eyes to see things the way beyond our situations. Help us to keep looking towards you when times are hard in RR. Lord, please give us favour with those who are always trying to stop us. In Jesus' name, Amen.
