Gideon Part 1: Chosen

In a time of crisis, most people would run away and avoid responsibility. Why get into something that may cause you more stress? As Christians, sometimes we are called to take the narrow road and we know that it is not easy. In "Gideon, Part 1", we read of how God chose Gideon in a time of crisis.

(A) MATERIAL:

Read Judges 6:11-18

Talk it Out

- After the death of Joshua, the Lord continued to help Israel conquer Canaan and other land and tribes as well. However, Israel continued to walk in disobedience unfortunately.
- What is your patience level? How long do you wait before you can't control it anymore?
- At the end God gave Israel into the hands of Midian and Israel was oppressed. That was when Gideon called out to God and God sent him.
- Do not look down on yourself when God sends you. Ask him to be with you as revolutionaries in your school.

(B) MISSION:

As Revolutionary, remember that God has sent you! What is your response?

TODAY, pray for people to respond to God's calling! Intercede for your school and then Ask those who will need prayer and pray for them!

(C) PRAYER:

Dear God, when you call, we do not want to delay our response to you. Lord, help us to walk in your ways forever. Lord, we need you Lord everyday to do what you have called us to do as Revolutionaries. In Jesus' name I pray, Amen.
