Gideon

Part 2: Consecrate and Sacrifice

It is inevitable to not have a greater expectation upon those who have roles or positions of authority. I would expect a policeman to be fitter than a banker because of his job. As children of God, we are to be Christ-like. In "Gideon, Part 2", we see what Gideon does after being chosen.

(A) MATERIAL:

Read Judges 6:19-27

Talk it Out

- From the verses, Gideon was showing his gratitude to God and wanted to offer a sacrifice to God. Sacrifices in the OT shows humility and willingness which is reflected through Jesus in the NT.
- What can you sacrifice to God as you were chosen to a part of Revo?
- It is a big step to take being a part of Revo. What are some things that make you fearful? Share it with one another? Encourage one another and walk through it with one another.

(B) MISSION:

YOU are God's light, bringing hope and change everywhere you go. You are held to God's standard.

TODAY, lay down all your fears, doubts, pain, etc to the altar of God. Surrender them. Your Revo Group can plan to make a skit that you can share with your school about coming to Father and coming to His altar.

(C) PRAYER:

Dear God, thank you Lord Jesus that you chose to come in humility and willingness as a sacrifice for us! Teach us to do the same with our everyday life. Lord, give us courage to be the living sacrifice like you. In Jesus' name I pray, Amen.
