

REAL BIBLE HEROES

King Saul

Part 1: Chosen

You are either born royalty or as a commoner, you don't get to choose your status. There are hardly any cases where a commoner becomes a king. But in God's kingdom, we are all prince and princess despite our background which is awesome! In "King Saul, Part 1", we see how King Saul is selected to be King who did come from royalty.

(A) MATERIAL:

Read 1 Samuel 9:15-21, 10:1-2, 20-24

Talk it Out

- It was during the time where there was no King of Israel because Israel was rebelling against God and worshipping foreign God. There was only Samuel who was God's priest. Israel wanted a king to be judge over them and God granted them their request.
- Saul, was a handsome boy and through God speaking to Samuel, he was chosen and then Israel proclaimed him as king. Could this happen so quickly? Has God spoken something bizarre to you before?
- All leaders are chosen by God, yes we get to choose but ultimately, God's sovereign plan never fails. When was the last time you prayed for your leaders, even your leaders of RR?

(B) MISSION:

Authorities are placed under God's ultimate authority. Submit unto them.

THIS WEEK, take time to pray for your leaders- RR, school, country. They need your prayers! You could even ask your school principal or head prefect if you could **pray for them**. They would feel so honoured.

(C) PRAYER:

Dear God, I trust that all the leaders in the world are under your sovereign will and plan. Lord, teach me to pray for them more. God, I ask Lord would you please give wisdom to my leaders, help them make decisions that come from you. In Jesus' name I pray, Amen.
