## Zechariah Part 1: Prophecies

Fortune tellers - always wondered how people could trust them. Where does their "power" come from? As Christians, prophesying is a gift from the Holy Spirit and it is to edify the church, which is us. We have faith that to know eventually, it is God's will that comes to pass. We see this in "Zechariah, Part 1".

### (A) MATERIAL:

Read Luke 1:5-17

### Talk it Out

- Zechariah was a priest. He was righteous and did all the commandments of the Lord. However, despite all this he and his wife did not have a child. But how was Zechariah's attitude towards God?
- Have you had a vision from God before? Or seen an angel before? Share about your experience
- When God shares his vision or His thoughts or His words to you, how should you respond? What are you going to do about it?

### (B) MISSION:

**Revolutionaries, YOU are entrusted with God's vision or prophecy.**

**THIS WEEK**, demonstrate trust when God speaks His words to you. Ask God for words of knowledge from Him about yourself or others. Let the Holy Spirit lead you. When you ask with motives to edify the church, He knows. **SHARE** God's goodness.

### (C) PRAYER:

Our Father, I would like to hear what you have to say about me or if there is someone that you would like me to say Your words to, show me Lord. I want to trust and have faith that You oh Lord always desire to speak your truth to us! Holy Spirit, we invite to come and speak. In Jesus' name I pray, Amen.
